

Title II, Part A GMAP Revisions for School Year 2017-18 Critical Fact Sheet 5/23/17

A Publication of the Office of Teaching and Learning

Overview/Background:

Districts use the Grant Management Application and Planning (GMAP) system to apply for funds under several federal programs, including Title II, Part A. The 2017-18 Title II, Part A application has been revised to meet the requirements of the Every Student Succeeds Act (ESSA).

Critical Points:

The following revisions have been made to the Title II, Part A application.

- The organization of the sections has been changed so they flow in a more logical manner.
- A new section, “Support for Effective Instruction”, has been added.
- Highly qualified language has been revised and a new set-aside category, “Administrative Costs”, has been added to the “District Set-aside” section.
- The formula for calculating equitable services amounts for private schools has been revised.

In addition, helpful hints for using the system are provided.
